(1 Corinthians 3:6-9)

G – Gather for Prayer

Father,

Thank you for sending people to share the gospel with me! Thank you for saving me! Help me to be about the harvest work as a planter and waterer.

In Jesus' Name, Amen

R – Read the Text (1 Cor. 3:6-9)

“ I planted, Apollos watered, but God was causing the growth. So then neither the one who plants nor the one who waters is anything, but God who causes the growth. Now he who plants and he who waters are one; but each will receive his own reward according to his own labor. For we are God’s fellow workers; you are God’s field, God’s building.

O – Observe what God has said

What was Paul’s role in evangelism? What was Apollos’? What was God’s?

Why do you think believers often fail to busy themselves with planting the gospel in the lives of those around them?

W – Work on Application

Planting and watering in the lives of those around us requires that we share the gospel in some way, shape, or form. Ultimately, what we share ought to have people around us take one step closer into a growing relationship with Jesus.

What is one way you can share the gospel with someone this week?

What tools might be there to help you do that?
